

## Scout Park, Laramie, WY

LWCF Funding Assistance: \$60,000

### Investing in Parks near Schools

The City of Laramie received \$60,000 in 2005 for Scout Park, a new recreation area located between 22nd and 27th streets behind Laramie Junior High School. The money will be used for developing, seeding and irrigating new soccer fields.

“These recreation fields benefit both our schools and community—they improve the quality of life for everyone. For a community like Laramie, where we can’t build soccer fields fast enough, LWCF support is indispensable, because the program can fund up to half of the development costs.”

*Paul Harrison  
Director, Laramie Parks and  
Recreation*
